There is so much more. If you haven't received the message by watching these 3 videos then you are beyond achieving any aptitude of reason.

Or you are complicit in the Covid-19 farce which is a crime in and of itself.

Knowing now what you may have been ignorant of before, **what are you going to do?**

Common sense questions:

If there really is a pandemic.....

26. Why hasn't the Covid-19 virus particulate been isolated?
27. How can an effective vaccine be produced without the isolated virus particulate?
28. What are the ingredients of the supposed vaccine?
29. If the vaccine is safe, Why protect Big Pharma with indemnity from liability?
30. If the official COVID-19 narrative is defensible, Why censor people who dispute this narrative?
