TITLE OF DOCUMENT: Pygmy Brief 4.0 CASE NO.:1826214

PAGE NO. OF

On 29 March 2017 at approximately 1400hrs PST my Home was violated by Lt. Gregg Stefani and three deputies of the Mendocino County (California) Sheriff's office. No warrant, nor criminal activity preceded this attack upon my Situ on the Land and Deed In My Name "Kenneth Morris" lien Not, Tax issue Not.

This action was the result of a "Court of Non-Reporting" in Fort Bragg California... Identified Not... on the exterior as a California Superior Court, with Indexing, Random Variables, Collusion, Compassing via Mail Fraud and Active Attack. Evidence received by Postal Inspection Service 27 March 2017 Re: File 1826214, by Certified Mail with return receipt.

My witness Wendy Kennedy and I stood our ground Pro-Truth and called 911 who told us to call the very people that were attacking my Home. I then activated my alarm system with Guardian Protection Services Customer No. 6053494, Site No. 600064751. Letter attached "Failure of Test Signal" 30 May 2017.

Case No. 1826214 and *Evidence Therein* provides proof of a Court of "Non Reporting" practicing "Unlawful Civil Seizure" via the Federal Postal Service and "Active Attack" upon Kenneth Morris Internet Connection and Computer (See Provider.txt Evidence File/Case No. 1826214), as testified in the "Pygmy Brief 3.0" attached. Evidence in the form of Original Posts, and Court Documents with *Random Variables*, and *Indexing* of Defendants names upon Docket prior to Proceedings that indicate who would lose their case, and Digital Evidence upon a Compact Disk in "jpeg/.mov"/mp3 files will be found in File/Case No.1826214.

1 Nine attempts by Kenneth Morris to secure council in
2 Defense of *Collusion and Extreme Human Rights Abuse* were
3 rebutted with "*Conflict of Interest*" over the span of more than
4 two years. I, Kenneth Morris was forced to represent MySelf "*In*
5 *the Flesh*". I, Kenneth Morris sought the Strongest Position I
6 could *Standing against Tyranny*.

7 Here to Fore and Now Know... that I, Kenneth Morris have
8 Discovered (a) "*Violation of the Separation of Powers Act*"
9 (*Federal*) where the "Office of Sheriff-Coroner" (via *Postal*
10 *Service, and Active Attack, and Physical Acts, and Voice*) Fills
11 the People of Mendocino County California with "*Fear*" for their
12 *Lives*. See attached Article for this issue, as the only Entity
13 that can Remove or Prosecute an Elected Sheriff *Is the Coroner*.
14 Therefore "*Vice of Office*" and or "*Blackmail of Office*" results
15 in "*Bearing of False Witness*" that *IS Akin to Murder*.

16 I, Kenneth Morris know well of this issue as the *Betrayal*
17 of my *Spirit and Soul* as a *Natural Human Being*, and *most*
18 *importantly, the intermittent loss of a coherent sense of self*
19 (*C-PTSD*). I, Kenneth Morris have also watched my Good Friend
20 Wendy Kennedy who stood with me that Day 29 March 2017, wither
21 to 100 Pounds, and, *most importantly, the intermittent loss of a*
22 *coherent sense of self (C-PTSD)*.

23 Medical issues dealing with "*Complex Post Traumatic Stress*
24 *Disorder*" C-PTSD(see:[https://en.wikipedia.org/wiki/Complex_post-](https://en.wikipedia.org/wiki/Complex_post-traumatic_stress_disorder)
25 [traumatic stress disorder](https://abuse.wikia.org/wiki/Complex_post-traumatic_stress_disorder),[https://abuse.wikia.org/wiki/Complex_p](https://abuse.wikia.org/wiki/Complex_post-traumatic_stress_disorder)
26 [ost-traumatic stress disorder](https://abuse.wikia.org/wiki/Complex_post-traumatic_stress_disorder)) are debilitating beyond measure.

1 Testimony ProTruth of that Day, 29 March 2017 and Abuse Prior to
2 the Attack of that Day Find I, Kenneth Morris ReMember:

3 I, Kenneth Morris Here to Fore Known as I/My/Me/Mine awoke
4 29 March 2017 with the knowledge that I (and my Friend Wendy
5 Kennedy) could be attacked that day as I had been threatened
6 constantly. Shot at, Threats via Federal Post, Active Attack,
7 Attempts to seize my Arms, Disappearance of Pets, and Bi-weekly
8 visits by Lieutenant Gregg Stefani and Deputy Shawn Wristen of
9 the Mendocino Sheriffs Office.

10 The Morning of 29 March 2017 I set up a video camera upon
11 the front door of my home from the inside and In Defense Arrayed
12 my Arms upstairs upon my Loft in case I was Fired Upon without
13 Notice. I also Set my Family Sword next to my other Arms in
14 Defense of MySelf.

15 At about 1400hrs PST 20 March 2017 I received a phone call
16 from Lt. Stefani. With my Deed in Hand I stood my ground in my
17 home as he threatened to attack. I, with the help of my Friend
18 Wendy Kennedy blocked all doors and made Fence of the area
19 around my House with Notice of Federal Jurisdiction due to Case
20 No. 1826214.

21 I called an Agent with the U.S.P.I.S in Richmond California
22 by the name of Bill Z. I explained to him that I had Filed a
23 Criminal Complaint with Chicago Office Case No. 1826214. That
24 Agent did nothing to help me in the face of Danger to my Life
25 and Property. I then called "Ilene" in the Chicago office and
26 was told that they had just received the evidence two days
27 prior.

1 I feared for my Life in the face of Treason by Public
2 Officials. I had been a Pro Bono Source to the Defense and Intel
3 of the very country I stood upon... I was Agast.

4 Lt. gregg stefani (Now Retired), and Deputy shawn wristen
5 along with two other deputies showed up on my property and
6 penetrated my Fence Line and ignored the Notice of Federal
7 Jurisdiction with Case No. 1826214. They had Weapons in a show
8 of force and demanded I leave with my Friend Wendy Kennedy. I
9 ReFused.

10 As Lt. stefani and his deputies did not open fire upon me I
11 did Not threaten them with Rifled Arms. I started the video
12 camera at the top of the stairs recording a fresh 4gig chip. The
13 Deputies started to circle the area and attempted entry through
14 the back door and side screen glass door. All doors were blocked
15 and locked from the inside.

16 Lt. stefani then began beating down my front door with his
17 shoulder as he is a big man about six and a half feet tall. He
18 was able to break the lock yet could not open the door all the
19 way because we had it blocked. As my Friend Wendy Kennedy was
20 screaming that someone was attempting to bust the door down, I
21 picked up my Family Sword, a Calvary Saber along with my Deed
22 and Scabbard and walked to the middle of the Living room about
23 12 feet from the front door and stopped at the coffee table.

24 There in defiance of what I Knew was unlawful even in the
25 face of Admiralty Law practiced by a Court of Non-Reporting as
26 California Superior Court 10 Mile Identified Not, I Stood my
27 Ground. From approximately 12 feet and stationary I Identified

1 Lieutenant gregg sefani visually. Lt. stefani from outside my
2 home and through a slight forced opening opened fire with a
3 taser. And I, in the most Highest of Truth was knocked down
4 hitting my face upon the coffee table. The initial round knocked
5 me down on the floor of my living room.He continued to taser me
6 from outside my front door.

7 The sword had fallen well away from MySelf, and here a
8 Disabled person on SSDI from an Electrocution at work overseas
9 in 2010 found myself fighting off the taser. Lt. stefani with
10 the Mendocino County Sheriff-Coroner Office kept the taser on
11 even though I was on the floor. There is no doubt in my mind,
12 that he had every intention of Killing me.

13 The one thing that he did not know is that I had been
14 Electrocuted before and had *Foreknowledge* of its effect...I
15 Stood back on my feet and directed the energy back at the Gun
16 and the gun *Failed*. At that time when the gun failed he screamed
17 to his other deputies and they broke through the screen glass
18 door with some tool unknown at the time. I did hear the glass
19 shatter and then stood at *Peace*. I warned my friend Wendy
20 Kennedy to keep her distance from the Sword and we allowed the
21 Deputies to take us into custody without issue.

22 Upon being arrested I was not Mirandized nor told what the
23 charges were. I asked one of the deputies to get my wallet from
24 the loft upstairs and when he did he found that I had Arms
25 arrayed, locked and loaded. A Russian 7.62 x 54 Sniper Rifle, a
26 Marlin .30-30 short barreled (lawful) cannon, a Marlin .22 rifle
27 semi auto and a Ruger .22 side arm. All of these arms were

1 upstairs. I feel and now know just how lucky they were that I
2 knew the Law. They did not shoot ballistic weapons at me, so I
3 did not fire arms at them.

4 One round from the taser ricochet'd off my Saber in my Left
5 Hand and lodged upon my shirt. The other round penetrated my
6 right wrist. I was walked with my Friend Wendy Kennedy to a
7 Sheriff Vehicle. I was transported to the hospital and then to
8 the Mendocino County Jail. I found out later that my Friend
9 Wendy Kennedy was taken directly to Jail and put in a Cement
10 Cell with a hole in the floor for 24 hours. I waited in a
11 holding cell for 48 hours to be processed and then I requested
12 Protective Custody as I feared for my Life.

13 I was not told of charges until I went to arraignment in
14 Ukiah Courthouse. I was marched in irons at breakneck speed
15 tearing the skin on my ankles by two Court Officers of the
16 Mendocino Sheriff-Coroner office. They brought my case up first
17 without Council (Mendocino Public Defenders Office) discussing
18 my case or charges with me. It was a classic *Rush to Destruction*
19 effort by the Court until I Stood up and Objected by "Voice"
20 speaking "*Rushing to Destruction!*".

21 At that time the Judge was forced by My *Action* to postpone
22 my arraignment. I was never asked for a plea and was taken back
23 to Mendocino County Jail. The next Court appearance was in Room
24 H of the Mendocino County Courthouse in Ukiah where I was
25 represented at *Bar* by a Female who my Sheriff-Coroner Office
26 Escort informed me that she was the Head of the Mendocino County
27 Public Defenders Office.

1 Defense informed me that I had two charges. One was Felony
2 Resisting and the second Assault with a deadly weapon other than
3 a Gun, another Felony. The prosecution would not budge from
4 original charges and I was not asked for a plea. I was then
5 ordered to Stand Trial in the Court of Non-Reporting, California
6 Superior Court Ten Mile Branch... the same court that drove the
7 Unlawful Civil Seizure action. An unmarked, Treasonous Trap.

8 When waiting for the next Court Date I was told by one of
9 the Deputies in the Mendocino County Jail that "they liked to
10 read things in the cell". It was then that I found that there
11 was some Honest Sheriff-Coroner employees as I left notes
12 describing the whole issue on the little desk in my cell that
13 they quietly read every day. These Honest Guards... started to
14 treat me well and put me in General Population. A Sargent of the
15 Guards asked me if I was "Defending my Home" in my actions and I
16 replied "Yes".

17 Not once, did the Public Defenders Office send a Councilor
18 to talk with me before Court appearance. All discussion was at
19 "Bar" where everyone could hear my discussions with Defense.
20 After Vehemently declaring the Courts Action as *Null and Void*
21 since its Inception I was offered a deal whereas prosecution
22 would drop the assault charges if I plead *Nolo Contestare* (No
23 Contest) to Resisting. I took the deal as I did Resist Unlawful
24 Civil Seizure and I needed to get out of Jail to check on my
25 things. It was then I found out that I was Charged under Section
26 69 a Local Charge and Felony.

1 I did 55 days in County Jail up to that point and then was
2 released that night. Upon release when I asked the Releasing
3 Officer for instructions he replied "We can't find your
4 records". I knew though that I would have to have been on
5 probation and would need to check in SOMEWHERE within 24 hours.
6 I did so and Paid over \$5,000.00 dollars in fines.

7 I lost almost everything. My Family and Friends thought I
8 was going to spend 10 years in Jail. Friends who were allowed to
9 take some of my things from my Home turned from Snakes into
10 Saviors. My friend Wendy Kennedy plead to a Misdemeanor
11 Resisting under the same Section 69 Local and was released in 13
12 days. She picked me up and we slept I her Van in our friends
13 property in Point Arena California for 4 months until we could
14 Rent a small house there.

15 There is more, a lot more relating to the Original *Mail*
16 *Fraud and Active Attack*. I have found it almost impossible to
17 revisit these memories... and that is why this has taken so long
18 to get this even this far.

19 Please visit the File in your Possession. Be advised that
20 the package was sent as an attack on my Life was in Progress. My
21 Friend Wendy Kennedy is still having difficulty even looking at
22 documentation relating to this matter.

23 Please feel free to call 707-882-1966 and e-mail=
24 kbn@mcn.org ... I did back up scans of all Evidence. Listen to
25 RedBird2 on the CD. Then you will know the Pain. *Value True* for
26 my Home would have been 250k... I was paid 114k after Jail. I am

seeking Prosecution of Criminals listed in the Pygmy Brief
3.0... and Restitution.

The second Betrayal linked to Mail Fraud will follow. I am
aware of recent Governing Board Positions filled.
Attorneys here in Mendocino Run from this as they Fear for there
lives as well. I wonder... what happened to the Hart Family
Here?

ProTruth,

/s/Kenneth Morris
