

TEMPORARY TRANSITION:

Stay Calm.

The financial system and banks are undergoing a major overhaul at this time.

Please continue in your jobs as public servants until the bank auditing is completed and payrolls can be met.

Please continue to keep our children, the elderly, and everyone in our communities safe, secure, and orderly.

The federal government has been expecting this readjustment and is moving to make sweeping corrections to remedy the situation as swiftly as possible.

Remember, be a part of the solution and not part of the problem by striving to assist and maintaining order and reason in this stressful time.

Respectfully yours,
Truth, Honor, & Integrity - Arizona
